MUSIC **Country-Fried Shiva**

Part country crooner, part rockabilly raver, CANDY KANE is a bisexual ex-porn star with a big voice and a big, beautiful chest. Her philosophy embraces porn, sexuality, and just being happy with yourself (when god gives you gigantic breasts, play the piano with them), and her live shows are a total hoot—a sexy, musical revival for the soul. Candy Kane plays Sunday, August 31 at the Shiva Box.
